

Success Stories

It was not about the money! You stopped and listened.....

Thank you to the entire OZXchange Migration team for working non-stop on our file and for the accurate advice all the time. Having a dedicated team who came from South Africa was a great help - you understood most of our issues and knew where to get the answers!

Very professional - see you in OZ!!

You took our worries away....."NO WORRIES MATE!!"

We were very confused and disheartened when we met the first time. It became clear that you care and would work very hard to get us the result we so urgently needed.

It was amazing to work with an agent who came from South Africa, could speak Afrikaans and knew what he was doing. Your support team is professional, well trained and focused on applicants as people.

Having a coffee at your office in Australia, while everything was coordinated and done in a professional manner was an absolute pleasure. We knew we were in good hands!!

We will continue to refer friends and colleges. Thank you again!

YES....our PR Visa approved!!

Thank you for calling me early this morning

Just a quick note to say thank you for the many hours of work and continued support during our application process.

We could always talk to our Client Support Officer [in Afrikaans] and your clear process and valuable information allowed my family who stays behind to understand the opportunity that is Australia better....You even met with my "In-Laws" to explain the process.

The face-to-face contact in South Africa was very valuable and we continue to refer friends and colleges to OZXchange Migration.

Thank you, Thank you, Thank you. OZXchange Migration was fantastic!

Thank you for meeting me at the airport - on short notice, just before you returned to Australia.

My application was well managed through your stepped process, clear advice and support.

Your support in preparing for the interview and on the ground interaction with my new employer in Australia was fantastic.

My visa was approved without delay!

The OZXchange Migration Client Officer worked with my family to answer the many questions we had and I look forward to starting our new life in Australia.
